

TEDx Warrington

TEDxWarrington 2025 is investing in young people

Having a positive impact on our local community is one of our top priorities. That's why we're investing in young people this year with these **three** initiatives:

1

We've partnered with Warrington Youth Zone, who will host our event and showcase their wonderful facilities and services for young people.

2

We've created an extra place for a Young Applicant aged 16-24 years with an idea to share. There is a separate application timetable and support package.

3

We've created a TEDxWarrington Bursary Programme to offer subsidised tickets for the under-25s when tickets open later this year.

If you have young people in your life, college or workplace, please help us to spread the word about our plans so we can maximise their reach and impact.
